

# 1st Grade News

June 4, 2018

## Curriculum Corner

Reading: Students will learn to read and write words with "ir" and "ur."

Writing: Students will continue to write, edit and revise narratives, persuasive letters, How To books, and All About books.

Math: Students will compare the length of 2 objects by using a 3rd object as a measuring tool.

Science: Students will recognize the features and patterns of the Earth/Moon/Sun system as observed by Earth.

### **Mark Your Calendars!**

June 7th - PTA Meeting at 7p.m.

June 29th - Last day of school, Report cards go home

Please keep up to date contact info in the front office in case we need to reach you about your child.

Wish List Item: We will be using oreos for a Science experiment about the phases of the moon; please feel free to send a package of oreos in. Thank you!
